Big Christmas Parade Will Bring Santa, Yule Season To Cameron

AWARDED TEAM JACKETS—Members of the state champion poultry judging team from Milam County received jackets recently in a presentation at the annual 4-H Achievement program, Cameron. The four-member team won the state championship at Texas A&M College in June and went to Chicago Tuesday to compete in the National 4-H Poultry Judging Contest set for Saturday. Shown at presentation ceremonies (from left) are: Jeanette Fuchs, Buckholts team member; W. B. Collins, Kimble Feed; Theodore Fuchs, Cameron team member; Alton Fuchs, Cameron; Herman Mueck, Cameron team member; Louis Elley, Hernung Hatchery; Jeanette Richter, Cameron team member; and Leo Fuchs, Fuchs Hatchery.

Rev. Kallus Gives Holiday Speech At Civic Meeting

Three Cameron civic clubs heard the Rev. Alfred Kallus, assistant pastor of St. Monica's Catholic Church, explain the basic meanings of Thanksgiving Tuesday in a combined dinner-meeting.

About 60 members of the Cameron Lions, Kiwanis and Rotary Clubs attended the dinner at the First Methodist Church.

Rev. Kallus was introduced by Jack Prescott, president of the Lions Club.

"Thanksgiving," Rev. Kallus said, "is essentially a religious holiday started by founding fathers who wished to trank God for providing for their needs."

Rev. Kallus went on to enumerate the freedoms privileges enjoyed by Americans.

He told the group Americans often forget the basis for Thanksgiving because of the many material things available to them.

"We have the freedom to own property, speak, think and worship as we please, as long as we do not infringe on the rights of others," he said. "And we have food in abundance when two-thirds of the world is going hungry."

Americans should be thankful for all these blessings, he pointed out, particularly for the privilege of being Americans.

All-School Carnival Will Begin Tuesday

The second annual All-School Carnival will get underway at 2:45 p.m. Tuesday at Yoe High School Gymnasium.

Supt. Wiley Loughmiller said the event last year attracted hundreds of people and started class funds for the participating classes.

Extension Deadline Nears

Fund Totals $1,569 In Latest Count

The North Milam United Fund drive neared its extension deadline this week with a total of $1,569 in contributions reported, Hilliard Thomas, fund treasurer reported Wednesday.

Thomas said latest contributions totaling $908 from downtown Cameron businesses were turned in this week.

Fund Drive Chairman Robert Nelson had extended the drive two weeks to December 1 due to steady rains during the past three weeks.

Goal for the second annual United Drive north of Little River is $11,300.

$661 Last Week

Last week funds totaling $661 were turned in at the first con-u were turned in at the first contribution report, Nelson said. One community total of $273 was turned in while teacher contributions from Ada Henderson, Ben Milam and Yoe High School were counted.

Clearing weather indicated drive workers will be able to windup calls on contributors in Cameron and 14 other North Milam Communities. Nelson said.

Drayton McLane heads the fund drive in Cameron. Leon Brady is drive chairman in Buckholts.

Nelson asked that all drive workers complete their calls for donations and pledges as soon as possible.

Two Ways To Give

Contributors may give donations now or pledge amounts payable by the quarter, Nelson continued.

Each agency will receive a proportionate share of total contributions for use in the North Milam area, he continued.

Quarterback Club To Start Sale Of Dinner Tickets

Tickets will go on sale Monday for the annual Quarterback Club football banquet December 17 at Simon-George Hall.

President Calvin Markham announced last week that Abe Martin, noted grid mentor at Texas Christian University, will address the group.

Quarterbacks are expecting about 300 players, parents and club members at the annual event. The dinner will start at 7 p.m. Tuesday. Tickets are $1.50 each.

Martin is expected to speak to the group on grid experiences he has enjoyed during a career of football coaching at TCU and other colleges.

FB Will Discuss State Convention In Thursday Meet

The general membership of the Milam County Farm Bureau will meet with the board of directors at 7 p.m. Thursday, December 5 at Yoe High School, Cameron.

Officials said a program along the lines of the Texas Farm Bureau convention theme will be conducted in the joint meeting.

The group will meet in the Agriculture Building at Yoe High School.

Members of the Milam Farm Bureau that attended the state convention will report on the state meetings at the Texas convention, officials said.

Miss Lenora Bickett, secretary of Milam Farm Bureau, said that J. H. West, Bishop, was elected president of the Texas Farm Bureau; C. H. DeVanney, Abilene, vice president; and Edwin Sanderson, Paris, Texas, secretary and treasurer of the state organization.

Scout Dinner Draws 85 District Leaders

About 85 Scout leaders and guests from the Tejas District attended an annual appreciation dinner November 21 at Simon-George Hall.

A. C. Bowen, Mexia, addressed the group on "Dads Are More Important Than Anybody to a Boy." He was introduced by Frank Hyder, district chairman and toastmaster for the program.

District officers for the coming year were announced by the nominating committee. Chairman is Sam Dollahite, Marlin, and vice-chairman is Richard Williams, Cameron.

Joe Spadora, Marlin, won the Scouters Award and Mrs. E. O. Schiller, Jr. Cameron, won the Den Mothers Award.

Ted Matula received a 25-year service pin and C. M. Burke a 15-year pin for service to Scouting.

Camping awards went to Troop 52, Knights of Columbus, Cameron, Felix Matula, scoutmaster; Troop 57, First Baptist Church, Marlin; Joseph Radcliffe, scoutmaster; and Troop 35, Marlin Methodist Church, Enos Lumpkin, scoutmaster.

Members of Troop 52 presented the opening and closing ceremonies. The Rev. George Duda gave the invocation.

Members of the district operating committee from Milam County are: Holmes Pearce, Thorndale; Nelson Davis, Sharp; Gene Walker, Gause; Rubin Seeke, Dr. Phillip Young, Collier Pierson, Dr. A. A. Urban and Dr. Charles O'Connar, all of Rockdale; and C. M. Burke, Burt Nicholson, B. L. Archer, Frank Luecke, Jack Prescott, Calvin Markham and Ted Matula, all of Cameron.

Trades Day Set In Conjunction With Xmas Fete

The Cameron Trades Day Thursday will be held in conjunction with the annual Christmas parade being sponsored by the Cameron Chamber of Commerce, officials said Wednesday.

President Henry Siebman said Trades Day next Thursday will begin at 3:30 p.m. with four prizes being given away.

But the first three prizes will be doubled with $20 being given away at 3:30, $30 at 3:45 and $50 at 4 p.m.

The final prize will be given away at 5 p.m., following the Christmas parade through downtown Cameron, Siebman said.

About 28 Cameron merchants have been participating in the weekly Trades Day in Cameron. It has been continuing here since mid-October.

Trades Day was held Wednesday this week due to the Thanksgiving holiday.

Prizes will also be given away next Thursday for the top four floats selected by judges in the Christmas parade.

Prizes of $25, $15, $10 and $5 will be given for the best float entries.

Rockdale Girl Wins Who's Who Place At MH-B College

Miss Joyce Williams of Rockdale has been named to the Mary Hardin-Baylor's Who's Who.

Miss Williams will be listed with nine other Mary-Hardin Baylor seniors who have been selected for recognition in the 1957-58 edition of "Who's Who Among Students in American Universities and Colleges".

Nominees are chosen by a faculty-student committee on the basis of scholarship, leadership and participation in extra curricular and academic activities, citizenship and service to the school and promise of future usefulness.

Student Government Association president, Miss Williams is a sociology major.

Marlin Will Host Scout Roundtable

The First Methodist Church in Marlin will host the north session of the Tejas District Roundtable Tuesday at 7:30 p.m.

South session will be held at St. Thomas Episcopal Church in Rockdale.

Theme for the cubs will be Cub Scout Movie Makers, for the scouts, New Frontiers, and for the explorers Party's The Thing.

RUNNER-UP FOR CROWN—Pretty Miss Evalyn Smith, Milam County's district entry in the Texas Farm Bureau beauty contest, smiles for the camera after being named runner-up to Miss Joyce Gray, Chireno, who was named Texas Farm Bureau Queen. Miss Smith, a freshman at Texas Christian University, won the honor in finals in Dallas last week. Her parents are Mr. and Mrs. Harry W. Clark, San Gabriel. Man with microphone is unidentified.

Santa Pal Project Calls For Old Toys

Cameron Jaycees Monday called for used toy contributions from Milam Countians for the second annual Santa Pals project now underway.

President Don Humble said that about 100 toys have been received thus far, but at least a 1,000 more are needed if the project is to reach the goal of 400 children this Christmas.

Jaycees have been repairing and erecting toys already contributed by several Cameron businesses and individuals.

Henry Schattle, project chairman, asked that toys be left in Santa Pal barrels placed at corners in downtown Cameron.

He noted that workers would pick up toys if pick-up notice is given to him or other workers. His phone number is 1170-W, he said.

Last year the Santa Pal project reached 200 area underprivileged children with about 750 toys of all kinds.

"We particularly need dolls for the project," Humble said.

Requests for Santa Pal toys may be sent to The Cameron Herald, Cameron, prior to December 15. A screening committee will check requests to establish need of proposed recipients.

Financial donations for Santa Pals also may be sent to The Herald from people having no discarded toys but wishing to contribute, Schattle said.

Volunteer workers will repair all toys and distribute them to the children of needy families in Cameron and vicinity, Humble pointed out.

If there are any people who want to help repair and repaint the toys and dolls, Humble said, contact the Jaycees at once. Jaycees are holding work sessions at a work shop in a barn behind the F. E. Jackson residence, 800 East 15th St.

Flu Cases Total 28 In Milam Area

Total cases of flu was 28 in the latest weekly count at the county health unit office.

Dr. John B. Bryason, health unit director, also reported two cases of mumps and one case of strept throat.

Influenza cases had numbered as high as 100 in the county in October, closing the Sharp School for several days.

Thursday Event To Include 30 Floats, Bands

Santa Claus is coming to town 4:15 p.m. Thursday, December 5, when the Cameron Chamber of Commerce sponsors its annual Christmas parade in downtown Cameron.

About 30 units will participate in the parade, including four bands, 13 floats and saddle clubs from Cameron and Rockdale.

Chamber officials said that $50 in prizes will be awarded the top four floats. First prize is $25, second $15, third $10 and fourth $5.

The annual Christmas parade will be held in conjunction with the Chamber's Trades Day which begins 3:30 p.m. next Thursday.

Santa Fe Starting Point

Louis McKee, parade chairman, told The Herald that the parade will form at the Santa Fe Railroad Station, go north to the First Baptist Church, continue east to the Milam County Courthouse, then back through downtown to the First Methodist Church.

Henry Siebman, Chamber president, said the parade would probably be one of the largest ever held in Cameron.

Santa Claus will have his own float near the end of the parade, officials said.

Old St. Nick will return to the courthouse square following the parade to give out candy and greet Milam County youngsters for the first time this year.

McKee said the parade will begin promptly at 4:15 p.m. Thursday. He estimated it will last at least 30 minutes.

Officials estimated the parade will attract thousands of Milam Countians. It is the first Christmas parade in the Central-Texas area and Santa's first visit to Milam County.

McKee stressed that floats still may be entered in the contest.

"We want a large number of floats this year to make it the biggest Christmas parade ever", McKee said.

Participating Units

Participating units are: bands from Buckholts, Yoe, Rosebud and O. J. Thomas High Schools; Kiwanis Club, St. Anthony Girl Scouts, two First Baptist Church floats, Bethel Church, Brownie and Bop Scout floats, Yoe High School student council, Ben Arnold E&R Church Youth.

Also White's Auto Store, Cameron Country Club, Cameron Herald, Rockdale and Cameron Saddle Clubs and cars from the Nazarene Crurch, Duncum Motors, Michalka Motors, Green Motor Co., Hefley Stedman Motor Co., Earle Pearson Chevrolet, New Cameron Drug.

Units of the Cameron fire and police departments, Sheriff Carl Black and a highway patrol unit will also participate.

Weather Notes

The weather turned to sunshine and clear skies early this week after several weeks of clouds and steady rains. Rain total up to press time was 1.35 inches, about par for recent weekly totals.

Forecast is for cooler temperatures and more clouds over the weekend. Showers are possible.

A November Salute

Wilson Is Citizen Of Month

The board of directors of the Cameron Chamber of Commerce have named Bassel Wilson, Cameron businessman, citizen of the month for November.

The Herald joins with the Cameron Chamber in saluting Wilson, who is showing confidence in the future of Cameron with the construction of a $150,000 grain elevator operation on East First St.

A resident of Cameron for about 10 years, Wilson has been active in civic and church affairs besides a busy business schedule.

He now heads the Milam Lodge of Knights of Pythias as chancellor commander.

He is a member of the First Baptist Church where he has taught a Sunday School class. He has been a member of the Kiwanis Club.

Wilson's confidence in the future of Cameron is culminating in a large grain elevator operation here.

Started last summer, the operation will ultimately have facilities to handle nine million pounds of grain and will include equipment for feed grinding, pelleting and recleaning.

The Baylor University graduate also operates a jewelry store and Wilson Produce Co. here.

Mr. and Mrs. Wilson reside at 702 East Ninth St.

Wilson was a mayoral candidate in Cameron in 1956.

Before moving to Cameron, Wilson operated feed businesses in Temple and Belton for many years. The Wilson family celebrated its 53rd year in the farm produce business in September.

State Sets Plow-Up To December 15, County Agent Says

Cotton plow-up schedules have been extended to December 15 by agriculture authorities, J. D. Moore, county agent, said today.

The move was to give farmers a chance to complete cotton harvest this year, he said.

On the more optimistic side, Moore pointed out that small grain condition is excellent, promising

Another inch of rain kept Milam one of the best winters for cattle in years. Oats and wheat are growing well.

County farmers out of their fields, though the moisture was good for fall and winter gardens, he continued.

General cattle conditions are good, he pointed out, including range conditions and cattle prices. He said some shrinkage is usually noted in cattle this time of year.

Fifty percent of a fair pecan crop has been harvested, Moore said, Corn, grain sorghum, hay and feed crops are about completed.

Cotton Vote To Set Penalties, Price Level

COLLEGE STATION—The nation's cotton producers by their votes in the December 10 cotton marketing quota referendum will determing whether quota penalties will apply and also the level of price supports for 1958-crop cotton.

Therefore, reminds Chairman R. G. Shrauner of the Texas Agricultural Stabilization and Conservation Committee, the referendum is of vital concern to every cotton grower.

If at least two-thirds of the votes cast in the referendum favor marketing quotas, the program will be operative for next year's crop, explains Shrauner. Price support will be available to growers who comply with their farm allotments for the 1958 crop of upland cotton at a level between 75 and 90 per cent of parity, and quota penalties will apply on any "excess" cotton.

If more than one-third of the votes are against quotas, there would be no quota penalties and the price support level to eligible growers would drop to 50 percent of parity.

The chairman points out that, even if quotas are disapproved, acreage allotments will remain in effect as a means of determining eligibility for price support.

All farmers who were engaged in the production of upland cotton in 1957 will be eligible to vote in the referendum and Shrauner urges them to do so. He also says that if growers have questions they'd like answered, they should visit the ASC office in their county.

Polling places will be announced in each county in advance of the December 10 referendum.

Nitrogen Helps Grain

Topdressing fall-seeded small grain with a nitrogen fertilizer has paid farmers good dividends in most areas of Texas. The practice, according to W. F. Bennett, extension soils chemist, will increase the amount and nutritive value of the forage produced by the small grains as well as grain yields.

Soil Condition Keys Prosperity In Agriculture

COLLEGE STATION—Good soil management practices and well adapted cropping systems are the basis for a long continued and prosperous agriculture.

Those who depend on the soil for livelihood are likely to become too careless with this main resource, and this can prove costly, warns Jack Barton, extension soil conservation specialist.

The physical condition of soil is of much importance in crop production, says Barton. Physical properties can be controlled by good use of crop residues, crop rotations, green manure and cover crops and barnyard manure.

A deep, moderately porous soil should be maintained, rather than one that is too tight and hard to work or the other extreme, too porous.

Organic matter is of prime importance in keeping soil in good physical condition, points out the specialist. It insures a good population of beneficial soil bacteria, aids in water penetration, increases the water-holding capacity of the soil, improves soil structure and adds nitorgen and humus.

Texas soils are likely to be deficient in nitrogen, phosphorous, potash and lime, so in many instances fertilization is necessary to insure maximum yields. The addition of these essential plant nutrients can result in much higher production. A soil test is helpful in determinging the proper amounts that are needed, says Barton.

Crop rotations can play an important role in improving soil productivity, and legume or grass should be included in the rotation program, he says.

RALSTON PURINA COMPANY
CHECKERBOARD SQUARE ST. LOUIS 2, MISSOURI

Dear Mr. and Mrs. Farmer:

For over 60 years, Purina Chows and dealer service have helped farmers make more profit.

Fed to livestock and poultry the Purina Way, Purina products get results. No other line of feed has ever been fed by so many farmers in so many places over so long a period of time.

You may be new to the Checkerboard trademark or you may be an old friend. In either case, we hope you'll drop in and share your feeding problems with the folks at your new Purina outlet in this community.

Helping you produce meat, milk and eggs more profitably is our business.

Thanksgiving Day

This is Thanksgiving Day.

It's a tradition-laden day of turkey and dressing, family dinners and consideration of blessings usually uncounted.

We look around us at the Thanksgiving table to smile our approval of a warm family gathering. We take time to note another year has passed, that we enjoy a little more or a little less of the pleasures of life . . . and the treasures.

The treasures are even more abundant. They are the joy of sharing with others and having an opportunity to share. They are the gatherings of family and friends warm in understanding and hope.

For Thanksgiving Day was conceived as a response to receiving the necessities of life . . . food and shelter. Long since the days of Pilgrim forefathers have we set aside one day a year to recount our thanks for necessities and the extras.

Now we enjoy Thanksgiving with family and friends. We watch a traditional Turkey Day football game. Then we drive home in automobiles to nice homes.

It is a happy day when we share it.

This is Thanksgiving Day.

U. S. Missile Schedule No Reassurance To Sage

By J. A.

Dear editar:

Everybody is looking for reassurance in these days of intercontinental missiles, and while I am not prepared to believe yet that Russia can line up all its long-range missiles, take aim, and blow up every city in the world in 30 minutes, still her success in launching a 1100-pound satellite is hard to argue with when it comes to saying who's ahead in this department, and naturally all of us have been concerned.

Consequently, Washington is getting on the ball and I think we can catch up all right, but I was interested in what a Washington expert had to say to a Congressional committee the other day along this line.

According to an article I read in a newspaper which I paid a nickel for, after all, I recognize this missile program is going to cost us all some money and I figured the least I could do was face up to my part of the load and spend a nickel to keep posted, this expert in Washington, when pressed for an answer on how our missile program is coming along, said it "was on schedule."

I have thought his answer over and don't know whether I'm reassured or not.

That is, you take my farm out here. According to the agricultural experts, it's one of the worst run-down places in this area, fences falling over, barn doors sagging, front steps rotted out, loose boards on the back porch, loose bricks in the chimney, etc., but according to my work plan, it's right on schedule.

The reason I haven't fixed the front steps is because I've scheduled that work for year after next. The barn door hinges are coming up in 1959, the front gate has sagged through two world wars and no tax assessor has failed to get through it yet.

Now I'm not saying the U. S. missile program is in the same shape my farm is, I don't know, but I do know it's possible to be right on schedule and still be ten years behind your neighbor.

I also hope the U. S. plans to do something about it quicker than I do about this farm.

Yours faithfully,
J. A.

Today's Text: The angel of the Lord by night opened the prison doors, and brought them forth, and said, Go, stand and speak in the temple to the people all the words of this life. — Verses 19-20

Help us, Jesus, today and every day, to be brave to speak thy name, regardless of the consequences.

Capitol Report

U. S. Makes Move To Renew Issue Of Tidelands

By Vern Sanford
Texas Press Association

AUSTIN—Texans are riled about the tidelands again.

A suit filed by U. S. Atty. Gen. Herbert Brownell the day before he left office seeks to establish the tidelands boundaries of Gulf Coastal states (including Texas) at three miles out.

Texas claims tidelands 10½ miles out by virtue of its 110-year-old annexation agreement with the U. S. A law passed by Congress in 1953 requires the federal government to respect the states' "historic boundaries."

Gov. Price Daniel called on the Legislature to protest to President Eisenhower concerning Brownell's action. Daniel, who co-sponsored the 1953 tidelands bill, read a letter from the President which said, in effect, that he would continue to honor Texas' claim.

House immediately passed a resolution in keeping with the governor's request.

Daniel said that Brownell "added insult to injury" by asking in his suit that Texas be required to pay to the federal government money received from leases on tidelands beyond a three mile limit. This would amount to more than $26,000,000 which the state has salted away in the public school fund.

House also passed a resolution asking Congress to call a constitutional convention. Purpose would be to draft amendments limiting the power of the federal government where it infringes on state powers.

Lake Study Promised

Governor Daniel promised advocates of free use of rural lakes that they will have their inning.

A number of legislators from rural areas have tried during the special sessions to change the law which limits water in small (200 acre feet or less) farm ponds to livestock and domestic use. Freedom to use the water for irrigation is sought.

Present law requires a special permit from the State Water Board to gain irrigation privileges. Farmers say getting such permits is complicated and too expensive.

But spokesmen for cities and downstream users vigorously oppose a change. They fear wholesale irrigation would dry up the streams leaving no water for them.

Governor Daniel said he would not submit this issue for the special session which "is dragging enough as it is." But he promised a study of the problem with a view, perhaps, to making permits easier to get.

Insurance Quiz

Senate investigating committee continued to put Insurance Department employes on the carpet to determine how well that agency is carrying out its functions.

Asst. Comm. Paul Connor took full responsibility for a three-months delay in action on a critical report concerning Preferred Life of Dallas. It was handled as quickly as possible "under the circumstances," said Connor. He pointed out the department was in a period of reorganization at the time and that it received hundreds of such reports.

T. W. Goad, for 71 years a department examiner, testified that examiners' morale was at an all-time low. He attributed this to (1) legislative cutting of examiners' per diem pay and (2) hostility from companies which feel state charges for an examination are too high.

Cost of Crime

Board of Corrections adopted a 1958 budget of $4,045,720 to take care of the all-time-high state prison population.

However, only $1,025,829 of this comes from tax money. The rest is earned by the various farming and manufacturing enterprises operated by inmates.

Number behind bars has climbed to an average of 9,726 this year compared to 4,987 in 1947.

More Money for Texas

Texans have been getting richer faster than the average U. S. citizens in the past 27 years.

University of Texas Bureau of Business Research reports Texas average income increased 447 per cent from 1929-57. U. S. average increased 279 per cent.

But there's a less rosy side. Last year Texas per capita income still hadn't caught up with the national average. It was $1,686 compared to $1,940.

Also drouth and farm depression have slowed Texas' rate of increase in incomes. However, said the Bureau report, some improvement in the farm incomes is expected this year.

OPEN THE COKE and START THE FUN!

Hear ye! Hear ye! Holiday good times are coming up with guests a-plenty and parties galore. And what's wanted in the refreshment line? Why, plenty of ice-cold Coke, of course. The sparkling pleasure, the bright little lift of Coca-Cola, makes everyone enjoy the party more. The best-loved sparkling drink in all the world . . . that's Coke!

PARTY IDEAS: A new buffet-way to serve your ice-cold bottles of Coke. Just tie a perky little red bow around the neck of each bottle and stick a tiny button chrysanthemum or a bit of holly through the bow . . . then let guests help themselves to the good taste of Coca-Cola.

THE FIRST THANKSGIVING

Dost think this turkey will please the Pilgrim Fathers?

Those cranberries have been strung with careful fingers, the bird itself has been roasted to just the proper degree of succulent brownness, and that bit of wheat, lying on the table, symbolizes the rich bounty of this year's harvest.

If our Puritan maid, Priscilla, looks a bit skeptical, it is only because she is wondering if tom turkey will be big enough to satisfy all the hungry guests.

They will be coming with vigorous appetites, whetted by the walk through snow covered fields from Church, where they have given thanks for their good fortune.

And on all Thanksgivings since that first one, thankful people have knelt in prayer. Thanksgiving is our own American holiday, unlike any other. It is deeply religious in nature. We can only observe it if, like the Pilgrims, we go to church to give our thanks. And never have a people had cause to be so thankful for so much.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Methodist Church Hosts All Day District Workshop For Officers

The Methodist Church of Cameron was host to the Bryan district workshop of Womens Society of Christian Service Thursday.

The president, vice president, secretary of promotion and Weslyan Guild president from each church in the district attended the all day workshop.

Mrs. W. B. Landrum, field worker for the womens division from Little Rock, Arkansas lead the program. Main emphasis was on teaching technics for establishing group climate.

During the afternoon session Mrs. L. B. Johnson of Marlin, Mrs. Maurice Faubion, conference vice president from Houston, Mrs. Landrum and the Rev. E. J. Davis formed a panel to discuss the relation of the Womens Society to the pastor, church, district and division.

Mrs. W. C. Freeman is the Bryan district president.

Mrs. E. A. Perrin was in charge of the luncheon served the 48 guests at the church.

Camerons Annual School Carnival Set For Tuesday

The All School Carnival has been set for Tuesday with two sessions at 2:45 to 3:45 and 6 p.m. to 9 p.m.

Each class will furnish entertainment and refreshment booths.

Queen candidates from the Ben Milam school are: 1st grade, Donna Wilkinson, 2nd grade, Sarah Arthur, and 3rd grade, Rebecca Lewis.

Ada Henderson candidates include: 4th grade, Nancy Schiller, 5th grade, Linda Griffin, 6th grade, Barbara Woodum, 7th grade, Margaret Mosley, and 8th grade, Joyce Smalley.

The freshmen class at Yoe High has elected Patricia Wilkinson as their queen candidate, with Rebecca Terry from the Sophomore class, Judy Shapiro, junior class and Ann Graham of the senior class.

Crownbearers are Jenny Lee Corley, Susan Brown and Glenn Huntsman.

Yoe High classes will each present a show. Titles of three shows to be given Tuesday are "Bopnik," "The Sophomore Globe Trotters" and "Jail House Rock" featuring the "Cell Block 10" orchestra.

The All School Carnival is an annual affair with proceeds going to the schools.

Garden Club Members See Temple Show On Holiday Decorations

Members of the Civic Garden Club who went to Temple last Wednesday for "Holiday Arrangements", presented by Mrs. Dwight Weir of San Antonio, were Mrs. R. G. Grabein, Mrs. Frank Schiller, Mrs. Dewey McElwrath, Mrs. W. R. Newton, Sr., and Mrs. Leo Fuchs.

Mrs. Weir performed magic with Christmas decorations and arrangements at a show sponsored by the Temple Garden Forum at the Federation Club House.

In her arrngements and decorations she included colors ranging from dainty pastel pinks to the traditional reds and greens. By putting her magic touch to such commonplace items as hardwere cloth and copper tubing, she captured a capacity audience by turning them into stunning Christmas decor.

Of the many outstanding arrangements which she made, a particular favorite was one called "Two Angels on a Pink Cloud", highlighted with two glittering Christmas angels on a round styrofoam base circled with fluted satin.

Rosebud Garden Club To Have Flower Show

The Rosebud Garden Club has extended an invitation to Cameronites to attend their flower show next week.

The show will be held at the D. Brown Library in Rosebud on December 6th. Hours for the flower show are from 2 until 8 p.m.

Mrs. Abel Hosts Womens Society

Rev. F. T. Sager, pastor, led the opening devotion for the Ladies Missionary Society of the Peace Lutheran Church in Sharp.

The meeting was held at the home of Mrs. Annie Abel Thursday afternoon.

Mrs. F. T. Sager lead the program, "Come Into My Heart. Hospitality In Self".

Plans were discussed for the Christmas program to be held December 19th.

The hostess served refreshments to the 12 members present.

Sharp Presbyterian Women Plan Social

Plans for a Christmas party were set by the Ladies Auxiliary of the Sharp Presbyterian Church.

At a meeting Monday in the church annex the Ladies Auxiliary voted to hold their Christmas Party at 2 p.m. on December 5th.

The program leader for the day was Mrs. W. E. Brown and Mrs. Jack Daniel led the Bible Study.

Jr. Historians Present Program To 3 Arts Club

Mrs. Louis M. McKee was hostess for the Three Arts Club when they met Thursday at the Magnolia House.

During the business meeting Mrs. W. H. Garner, club president, announced her plans to move to Germany in December and submitted her resignation. Mrs. E. O. Smith, Jr. Three Arts Club vice-president, will take on the presidents duties for the remainder of the year.

Yoe High School Junior Historians, Misses Myrna Gayle Jackson, Peggy Burke, Margie Wilkerson, Judy Sutter and Carroll Frances Moore, sponsored by Miss Ada Margaret Smith were guest speakers.

The Historians presented a discussion on the history of education in Cameron closing with the present school program.

A cornucopia arrangement decorated the mantle in the party room with a bouquet of chrysanthemums on the serving table.

Refreshments of mince-meat squares topped with whipped cream and coffee were served.

Mrs. Stidham Leads Program On Trees At Home-Garden Club

Mrs. J. A. McKinney and Miss Ethel McKinney were hostesses for the Home and Garden Club when they met in Jones Prairie Tuesday.

Pink roses and yellow mums were used to decorate the party rooms.

The days discussion topic was famous trees. Mrs. T. B. Stidham gave the history of "The Independent Oak of Texas History" located at West Columbia, and Miss Ethel McKinney discussed the Washington Oak of South Carolina. The history of the Oglethrope Oak of Georgia was presented by Mrs. E. B. Yager.

At the close of the program Mrs. Stidham read a poem entitled "The Tree," by Joyce Keller.

Names were drawn for the annual Christmas party to be held in the home of Mrs. Sam Harrell in Cameron.

The hostess served strawberry shortcake, coffee and hot tea to nine members and two guests, Mrs. Elbert Martin and Mrs. LeRoy Massengale.

Mrs. Gaither Speaks On Ageless Lullabies

Mrs. W. E. Gaither of Rockdale presented the program for the History Club when they met at the home of Mrs. H. F. Smith Tuesday.

Mrs. Wiley W. Loughmiller presided at the short business meeting which preceded the program.

Speaking on Ageless Lullabies, Mrs. Gaither emphasized her description with a recording of lullabies from many countries sung by the native folk singers.

Following the program refreshments of salad, tea sandwiches, cookies, olives and coffee were served in the dining room. A centerpiece of fall fruit and vegetables decorated the serving table.

Mrs. W. H. Garner and Mrs. John Howard assisted in the service.

Special guests at the meeting were Mrs. E. A. Flinn, Mrs. Niley Smith and Mrs. T. F. Criswell.

St. Anthony PTC Hears Rev. Duda

At the St. Anthony's Parents Teachers Club meeting Tuesday evening the club President thanked all who had cooperated in the successful Halloween Carnival.

Proceeds from the carnival will be used for additional books and playground equipment for the school.

In other business it was suggested that a substitute teacher be named. It was also decided that the December evening meeting be canceled.

The Rev. George Duda spoke to the group on the Advent Season and putting Christ back into Christmas.

Mr. and Mrs. Frank Freytag were welcomed as new members following the meeting. Hostesses were Mrs. Royce Platt, Mrs. Willie Moraw and Mrs. Henry Michalka.

The next meeting will be January 21st.

Mrs. Fred Allen, the former Joyce Weichert, and children, Jeanie and Robert, from Florida, are visitors in the home of her parents, Mr. and Mrs. Paul Weichert of the Edgeworth Community.

Mr. Allen will join his family here in December for a visit before they leave for their new home in California. Mrs. Allen and children were guests Sunday of Mr. and Mrs. L. N. Ezzell.

Thirty-eight members of the Werchan family met last Sunday at the home of Mr. and Mrs. L. N. Ezzell for a noon day covered dish luncheon.

Present for the family get-together were Mr. and Mrs. Walter Werchan; Mr. and Mrs. Edgar Werchan and son, Calvin Ray; Mr. and Mrs. Randolph Huber; Mr. and Mrs. Willie Heckmann and son, Raymond and his guest, Miss Patsy Johnson of Hutto; Mr. and Mrs. Adolph Pick, Randall and Bobby, all of Taylor; Mrs. Clara Werchan; Mr. and Mrs. Leroy Werchan, Carol and Paul; Mr. and Mrs. Gerald Jordan, Debbie and Kathy; Mr. and Mrs. Charles Stalmach, Dennis and Sheryl of Austin.

Mr. Wellor Baker returned to his home in Temple Saturday after several days visit in the home of his niece and nephew, Mr. and Mrs. Dave Fowler.

Mr. and Mrs. Dave Fowler will join their son's family, Mr. and Mrs. Howard Fowler and Kerry in Belton early Thursday for a trip to Kerrville where they will spend the Thanksgiving holidays with their son's faily, Naval Officer and Mrs. J. A. Fowler and children.

Mrs. Jack Berry is a patient in a Marlin hospital under treatment following a recent heart attack. She is reported to be improving, according to her husband, Rev. Berry.

Weekend guests in the J. D. Lewis home were their children, Mr. and Mrs. John Douglas Lewis, Houston, and Mr. and Mrs. Bill Gause and children of Gause.

Mr. and Mrs. L. N. Ezzell were hosts to a group of relatives and friends Friday night honoring her brother and sister-in-law, Mr. and Mrs. Willie Ezzell who are visitors here from California.

District 8 Well Represented At 24th Convention

The 24th Annual State Convention of the Farm Bureau met in Dallas November 17th through 20th with headquarters at the Adolphus Hotel.

Of the 1200 members attending the convention, 609 were voting delegates.

District 8 of the Texas Farm Bureau, of which Milam County is a part, was well represented with 83 of the voting delegates present.

The 12 voting delegates from Milam county were O. G. Tumlinson, Mr. and Mrs. V. L. Angell, Mr. and Mrs. W. A. Conn, E. E. Dodd, Mrs. S. W. McClaren, Jr., Harry W. Clark, John Slovak, A. T. Swanzy, Mrs. Bernice Charles and Mrs. Bill Bartlett.

District 8 had 4 counties in the top 10 in membership, a total of 8,160 members. Milam county Farm Bureau had 1130 members of this grand total for the district.

In other honors brought home by the Farm Bureau, Miss Mary Evalyn Smith of San Gbriel was chosen runner-up in the beauty contest and the Bell county Bureau won the publicity trophy. William F. Arthur of Milam county was one of five service agents to receive top awards.

Mrs. S. W. McClaren, Jr., wife of the District 8 Director, was chairman of the Ladies Luncheon and style show. Mrs. V. L. Angell from Milam county gave the Invocation at the luncheon.

City Council Names Bank Paying Agent

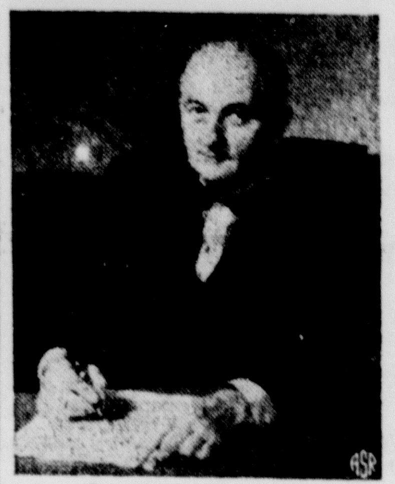
The City Council last Thursday voted unanimously to name the First National Bank, Cameron, paying agent for the new city water bonds.

The council voted also to place bond funds on time deposit in both the Citizens National Bank and the First National when bonds are sold.

In an earlier meeting the council had named the Citizens National paying agent for the bonds, but they reaffirmed Thursday an earlier motion that named First National Bank paying agent for city water and sewer bonds.

Bond money will remain on time deposit in both banks except when funds for expenditures are needed, officials said.

Season For Vitamin D Approaches



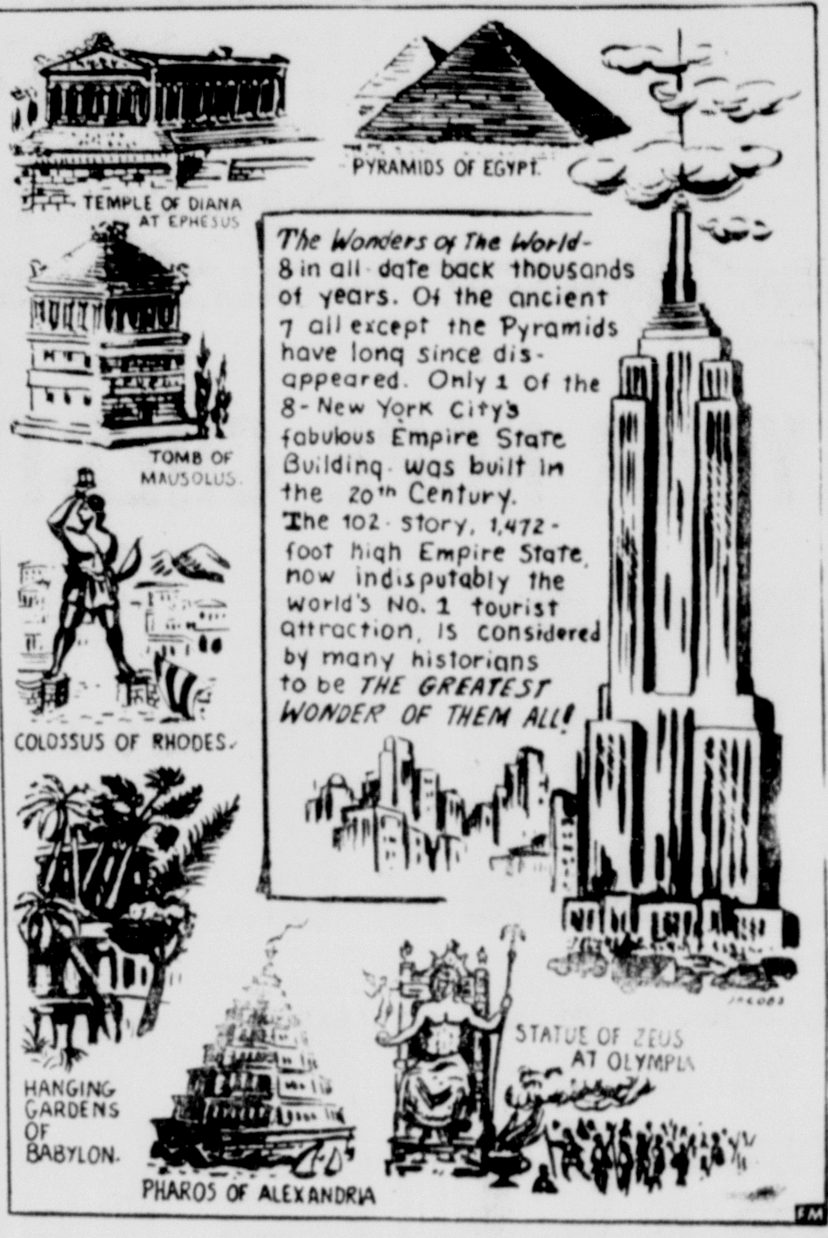
Dr. Henry T. Scott

With the return to school of millions of children, thoughts again turn towards the nutritional necessities for maintenance of vigor, health and resistance to carry through the fall, winter and early spring season. Due to the fact that the days become shorter, with less sunlight and more hours spent indoors, the need for Vitamin D becomes of paramount importance according to Dr. Henry T. Scott of the Wisconsin Alumni Research Foundation.

Dr. Scott strongly emphasized the need for a regular intake of Vitamin D such as one finds in Vitamin D fortified milk, to ward off deficiencies, relating to calcium use in the body, for without this all-important factor in the diet, the calcium in which milk is so rich, suffers a metabolic block and the bound calcium is not released to the body tissues.

Impulse buying has set up a variety of attractive food items that are competing for the housewife's dollar, rendering it imperative for the purchaser of family foods to select with care: first of all foods that will assure the presence of basic proteins, minerals and vitamins, according to Dr. Scott. Furthermore, he stated in these times when caloric intake averages between 2,000 and 2,500 daily, thoughtful buying is imperative, as it should be remembered that a menu built around milk balances and fortifies the diet at nearly every point, and a milk fortified with Vitamin D assures the proper use of the precious calcium which the body needs for so many of its normal functions. This may be critical in the formative years of childhood, and most important in adulthood because of a constant turnover of this body element that takes place day after day.

The World's Eight Wonders!



The Wonders of The World - 8 in all - date back thousands of years. Of the ancient 7 all except the Pyramids have long since disappeared. Only 1 of the 8 - New York City's fabulous Empire State Building - was built in the 20th Century. The 102 story, 1,472-foot high Empire State, now indisputably the world's No. 1 tourist attraction, is considered by many historians to be *THE GREATEST WONDER OF THEM ALL!*

Automobile Inspection Urged By Texas Public Safety Department

With only one-tenth of the motor vehicles in Texas inspected for the year 1958, automobile and truck owners were urged today to obtain their new inspection stickers before the holiday season.

Col. Homer Garrison, Jr., director of the Texas Department of Public Safety, called upon motorists to obtain their 1958 inspection stickers as soon as possible in order to alleviate the last minute rush on the 4,200 inspection stations in Texas.

Garrison said only about 450,000 of the four million registered vehicles in the state have been inspected and approved.

"While this number exceeds that for the same period last year," he said, "the present rate of inspection will not prevent inspection stations from being rushed again during the last few weeks of the inspection period ending April 11, 1918.

Vehicle owners who complete their inspections before the holiday period will avoid the inconvenience of waiting at the inspection stations.

The state police director also said that early inspections will be of benefit to motorists who plan trips during the Thanksgiving to New Year's period by eliminating mechanical defects.

Board Mails Questionnaires To Unclassifieds

The Milam Draft Board office has mailed questionnaires to a second group of unclassified men, in accordance with plans announced last month.

A registrant is entitled to present all written information which he believes to be necessary to assist the local board in determining his proper classification.

Any person other than the registrant may request the deferment of a registrant by filing such request in writing with the local board together with any information in support of his request.

When a registrant's classification questionnaire omits needed information, contains material errors, or shows that the registrant failed to understand the questions, the local board will return the classification questionnaire to the registrant for correction and completion, officials said.

The local board has authority to subpoenae any person to appear before it, to direct such person to produce papers and records considered necessary and to require him to testify, under oath, in regard to any pertinent matter within his knowledge. Any persons subpoenaed may be compelled to appear and testify before the local board in the same manner as persons subpeonaed by a court of the United States.

Postmaster Advises

Mail Early To Assure Christmas Delivery

Postmaster John Hays, Cameron, said today "We hope to keep up our good record on the Christmas mails by getting everything processed and delivered well before Christmas Eve."

He said further that much depends on patrons cooperation in mailing Christmas cards and gifts during the next 10 days.

"Most people realize that the early arrival of a Christmas card or gift is always welcomed, although there are still some who have the mistaken idea that a gift or card arriving on Christmas Eve has a special significance," Hays continued. Actually, it's the thought behind the gift or card, and not the time of arrival that is the important consideration."

Seeks Proper Addressing

Hays asks for special cooperation to be sure that return addresses and the recipients addresses are plainly typed or written on all labels and Christmas cards.

Use zone numbers, and it's always a good idea to include an extra label inside your packages. Parcel Post size and weight limitations vary according to destination. Ask about them when you go to the Post Office to buy stamps, Hays recommends.

Be sure to use first class postage on your Christmas cards, because this enables you to include handwritten messages. Cards sent by First Class mail will be delivered promptly, and forwarded or returned, if necessary, providing you include your name and address on your Christmas card envelope, a custom, by the way, which is entirely socially correct.

Use Special Labels

"You can do both yourself and the post office a favor by securing free labels at the post office which read, All for Out of Town Delivery and All for Local Delivery, Hays said.

Place these labels on bundles of cards for local addresses, and on those for out-of-town destinations, and mail your out-of-town Christmas cards several days in advance of those intended for local delivery.

Plan your Christmas mailings so that all Christmas cards and gifts for most distant points are mailed first. Try to get all of your out-of-town cards and gifts into the post office before December 10th, and those for nearby points should be mailed by December 15th.

Postmaster Hays has asked the cooperation of all business firms to postpone the mailing of circulars and catalogs until after December 25 to keep the mails clear for the Christmas rush.

"MONEY-AHEAD" CONTEST
Fantastic? It's mighty near unbelievable! *But true — just read this:*
You can win $500 a month for the rest of your life. You can win a gleaming new "Money-Ahead" '58 Plymouth. You can win other valuable prizes.
It's the Plymouth "Money-Ahead" Contest, where a lifetime of financial security is ripe for the taking. Few things are more substantial than money, and a lot of money is the grand prize. But this is a contest where you can win big without hauling down first prize . . . for 18 sparkling new Plymouths and 450 other valuable prizes will be awarded.
Now here's what you do:
Go into your Plymouth Dealer's and ask him for a contest blank. You don't have to be a mental giant to shoot for the big money. This contest is fun, and it's easy.
You simply unscramble seven easy words and terms, like the one you see in the example to the right. Then add your own short version of why you'd be money ahead in a '58 Plymouth. Believe us, there are plenty of good reasons you can use: Torsion-Aire, Total-Contact Brakes, Silver Dart Style, Push-Button Driving, new Golden Commando engines, etc.
Unscramble or scramble — but you better not amble — to your Plymouth Dealer soon. The fun starts Monday, Nov. 25.

15 Day Extension Given Farmers Here On Cotton Plow-Up Deadline

J. D. Moore, County Agent

Still another cotton plow-up deadline has been extended by Agriculture Commissioner Jorn White to give farmers enough time to gather their crop from fields soaked by recent rains.

The latest 15-day extension applies to 21 Central and East Texas counties in Zone 6 of the Pink Bollworm quarantine area. The original deadline of November 30th was moved forward to midnight, December 15th.

Zone 6 counties are: Bell. Milam, Burleson, Falls, Robertson, Brazos, Leon, Burnet, Madison, Grimes, Houston, Walker, Montgomery, Trinity, San Jacinto, Polk, Angelina, Tyler, Hardin, Jasper and Newton.

Artificial Lights

Th euse of artificial lights in laying house will increase income 77 cents per hen. Fourteen hours of daylight is necessary for a laying hen to maintain maximum produciton.

The days become shorter from October 1 to the last of April. Artificial lights will prevent a 15 percent to 20 percent drop in production during these short days.

An automatic time switch may be purchased at your poultry supply house and installed in the laying house to assure the 14 hours light.

The amount of light recommended for a floor type laying house is 40 watts per 200 sq. ft. of floor space.

If 40 watt bulbs are installed they should be spaced 10 feet apart. The light receptacle should be mounted 5 feet from the wall of the house and the lights should be 7 to 8 feet above the floor.

Cattle Lice, Grubs

Treat cattle for lice and grubs to prevent loss of weight during the winter months.

Use 7½ lbs. of derris or cube containing 5 percent rotenone per 100 gallons of water as a spray or 7½ lbs. of derris containing 5 percent rotenone plus 10 lbs. of wettable sulphur per 100 gallons of water as a dip.

Lt. Stuth Earns Jet Pilot Wings At Laredo Base

LAREDO AIR FORCE BASE, TEXAS,—1-Lt. Jerry R. Stuth, Box 221, Cameron, recently received the silver wings of an Air Force jet pilot at Laredo Air Force Base.

The graduation culminated fourteen months of intensive pilot training in both propeller driven and jet type aircraft.

Lt. Stuth graduated from East Texas State Teachers College in 1955 with a B. S. degree. At the same time he received a commission in the United States Air Force Reserve through the AFROTC program conducted at that college.

The 24-year-old jet pilot is presently assigned to the 3615th Flying Training Group at Craig AFB, Alabama for Basic Instructors Course. Upon completion of his tour of duty there, he will then return to Laredo AFB to assume the duties of an Instructor Pilot.

Lt. Stuth is the son of Mr. and Mrs. C. J. Stuth and is married to the former Carol Ann Matula of Cameron.

Plentiful Foods Include Holiday Specialty Lines

COLLEGE STATION—Plenty of most of the traditional holiday foods insure homemakers that there will be no shortages when their shopping begins for the foods normally used during the holiday season.

The U. S. Department of Agriculture's December plentiful foods list for the Southwest shows broiling and frying chickens as feature items, while turkey and pork are other protein suggestions. Supplies are large on these main course favorites.

The old favorite, cranberries, will be abundant in December as will apples and winter pears. Adequate supplies of oranges and grapefruit should also be available, says the report issued by John J. Slaughter, southwest food distribution chief.

December plentiful vegetables include peas, canned and frozen, and dry blackeye peas. Pinto beans, too, are on the list.

Dates, almonds and filberts complete the December plentiful listings.

A. T. Swanzy is in Dallas attending the Farm Bureau Convention.

Mr. and Mrs. Walter Kelm of Waco visited relatives here last weekend.

4 Deer Shot... With Camera

By Vern Sanford

I shot four deer on opening day this year. All four were legal size bucks. All weighed in excess of 100 pounds before they were dressed.

A game warden stood by and watched me as I leveled down on these four fine bucks. And I have the evidence to prove I got 'em, too.

I shot them with a camera. I can recommend it for the thousands of Texans who like to get out in the open and don't feel they can afford to buy a deer license, or who don't want to kill a deer.

In company with three other outdoors writers we went to the Kerr Wildlife Management Area, some 30 miles southwest of Kerrville.

There were 30 hunters there, with guns. They had been the lucky ones whose names were drawn for a public hunt this year. The Game & Fish Commission authorized the issuance of some 590 of these permits. More than 7,000 persons applied for them. Which means that more than 6,000 were disappointed not to get in on the free hunt.

That is a tremendous difference, tis true, but right now the state simply does not own enough land to provide free hunts for everyone. For that matter it never will. Such procedure would be entirely impractical.

State operated areas were not bought for hunting anyway. They were purchased to study management practices. Well trained and efficient biologists put in long hours studying what deer eat, their breeding practices, the ratio of bucks to doe, and how they get along with livestock.

On this game management area they have small pastures with fences 10 feet high. In these pastures they run a certain number of deer, sheep, goats and cattle. They make a constant check on how much they eat, what they eat, and their other habits.

Thus the biologists are able to determine exactly what the reproduction is and how the young survive.

In Hunting Blinds

Of course those who hunted did not get to shoot behind one of these big enclosures. Instead, they were placed on stands in open pastures. Each hunter had his own stand in known deer runs. Some of the hunters never had shot deer before. Several were old timers. But each was just as happy with the buck he brought in.

We also were impressed with the size and condition of the bucks. They were from two to five years old and every one in perfect condition.

Similar experimental ranges are operated in other parts of the state. For instance there is the Engeling Wildlife Management Area in Anderson county, near Palestine; and the Black Gap Management Area in Brewster county, adjoining Big Bend National Park.

The work being done on these places will be the deciding factor in our game supply for many years. The practices used on these areas also can be used successfully on other ranches, which will have a great deal to do with future deer crops.

Not too many Texans hunt rabbits any more. This is the time of the year, however, when rabbit hunting is at its best. There was a time when the cotton tail was recognized as a very delectable bit of meat. It still is in many states. However, rabbits always have been so plentiful in Texas that we take them as a matter of course.

Rabbit meat, fried like chicken, is a strong rival for taste and food value.

There is a big crop of rabbits this year. In fact the crop is so big that a tremendous rabbit hunt now is being planned for the Panhandle area, for sometime about mid-January. We'll have more about that later.

Most of us remember rabbit killing as boys, when we used 22-caliber rifles. The 22 still is an ideal gun for shooting rabbits, where there is plenty of room to shoot and care is used.

With the present day automatics and rifles equipped with scopes this type of rabbit shooting is lots of fun.

However, when hunting with such equipment all the rabbits should be shot through the left eye. Any good rabbit hunter would count a body shot the same as a miss.

Of course, back in the early days there wasn't much fear of tularemia, or rabbit fever. By using care in handling a rabbit, however, there is no danger. Also, if a rabbit has the energy to run it isn't a sick rabbit.

Those Little Bass

Have you been out to a lake lately to see how fast the young bass are growing?

For several months we've been watching these little fellows. They come in close to docks and chase the little minnows and forage for other feed.

The little rascals, spawned this spring, already have reached legal size. This applies both to black and white bass. In about two more month most of them will be from 10 to 12 inches long.

All of which means that you'd better have your equipment ready for next spring's fishing. It's bound to be good.

New Feed Business Opens In Cameron

A new business, Feeders Supply, has opened in Cameron under the management of Frank Freytag.

Feeders Supply will handle all lines of Purina feed and services for poultry and livestock, Freytag said. The operation has moved into the freight depot recently vacated by the Santa Fe Railroad at 601 Sante Fe, Cameron.

Freytag and his family comes to Cameron from Austin where he worked with Purina for 18 months in Central Texas.

Dillon, Green Win All Cen-Tex Honors

Two Cameron gridders, FB Guy Dillon and End Ray Green, have been tabbed on the All-Central Texas football team, Coach Leo Jackson told the Herald Wednesday.

It was the second honor to come to Yoeman players in the past two weeks. QB Bobby Elliott was named the Waco News-Tribune's back of the week following the YHS-U Hi game.

Jackson said the two Yoe High School seniors were named among 22 outstanding Central Texas football players from all classes of high schools.

The senior duo will receive plaques signifying their honors at dinner 6 p.m. Monday in Waco. Coach Jackson and Coaches Jim Speer and Mruphy Webster will accompany the boys to the banquet.

Jackson said the selections placed Green and Dillon among the state's elite of Cen-Tex high school gridders. He said no other school had more than one player named to the roster.

Green has been outstanding throughout the season, leading the Cameron forward wall on defense and punting while Kicker Jesse Kirk was injured.

Dillon led Cameron ball carriers for the season with 797 yards gained in 132 rushes, an average of 6.7 yards per carry.

He was first-team all-conference as a junior in 1956 and was named to honorable mention All-State.

Green's kicks averaged 35 yards He snagged two TD passes while Dillon scored 10 touchdowns and 5 PAT's.

4 Badger Gridders Win All-District; Two From Sharp

Four Buckholts football players and two from Sharp were named to the 21-B all-district team this week, school officials announced.

Lamar Gresak and Leland Weido, Badger backs, were named to the all-conference backfield while James Edward Glaser and Stanley Joe Glaser won line berths.

The Buckholts squad lost a close 14-12 decision to Hutto last Thursday at Taylor in a bi-district playoff.

Mud and cold temperatures limited both offenses in the game, officials said.

All-star selections for 21-B were made Monday in a meeting of conference coaches and referees.

Other all conference players were David Pope, Sharp, and John Leas, Oglesby, backs. Line honorees included Charles Schwartz, Sharp, and Bobby King, Oglesby.

Experts Predicting Top Quail Crop For 1957 Season

AUSTIN—Quail hunters will find the best crop of birds in years when the season opens in Texas December 1, according to the director of law enforcement of the Game and Fish Commission.

He says reports from wardens throughout the state indicate not only a heavy hatch, but an unusually large survival.

This applies to practically every section of the state. There was an ample food crop during the summer and fall months, affording plenty of seed for the birds.

More than 28,000 bobwhites and 8,500 coturnix quail were released by the State Hatchery at Tyler this year, through clubs in different parts of the state. These, with the heavy hatch of native birds are responsible for the big crop.

The bag limit is 12 in one day or not more than 36 in one week or in possession.

Amazing Grid Data Proves YHS Offense

Final team statistics for the 1957 grid year showed some phenomenal results for the Yoemen, Coach Leo Jackson announced this week.

The four senior backs of the '57 Yoemen backfield crashed for 2,632 yards rushing, averaging 7.2 yards per carry.

Leading in total yards rushing was powerful Guy Dillon, Cameron's 195-pound all-state candidate, who ground out 797 yards rushing for 10 touchdowns and 5 extra points.

He averaged 6.7 yards per carry when every line on the schedule was keying on him, Jackson said.

Elliott Total Tops

Total yardage honors went to Bobby Elliott who racked up 612 yards rushing for eight TD's and two PAT's He also completed 23 of 58 passes for 359 yards and four touchdowns.

Dillon caught eight Elliott passes good for 163 more yards. The amazing fullback also blocked two punts and averaged about 12 unassisted tackles per game.

Cameron's halfback speedsters were not far behind in the statistic limelight.

Warren Rinn, nimble right half, rambled 651 yards in 92 carries to earn second-high scoring honors with 10 touchdowns. His total points included three scores on passes from Elliott. His running average was 7.4 yards.

Lefthalf Hubert Marek had the biggest per carry average at 7.5 yards per crack as he went 572 yards in 76 carries. He scored 30 points.

John Wayne Josey completed the Yoeman scoring with eight extra point conversion.

Zarosky Blocks 7 PAT's

On the defensive side of the ledger, records show End George Zarosky blocked seven extra-point attempts while Rinn snagged eight pass interceptions to lead in that department.

In punting Ray Green kicked 27 times for a 35-yard average while Jesse Kirk booted 14 times for 39 yards per kick.

Jackson noted an unusual kicking sidelight in that Cameron did not kick once in the 40-27 victory over Bryan here early in the season.

Cameron averaged 22.6 points per game while their opponents averaged 13.5 in the 10-game season.

Yoemen backs garnered 117 first downs to their opponents 75, Jackson said.

300 Brave Icy Winds To See Yoemen Win 5th '57 Homegame

The talented Cameron Yoemen struck twice in the first quarter and went on to win a rugged 28-13 contest over fired-up LaVega Friday night at Yoe Field.

The slimmest homegame crowd of the season watched the Yoemen rack up four touchdowns. HB Warren Rinn and FB Guy Dillon scored in the first quarter and End Ray Green went over twice in the second half.

Icy 35-mph winds swept across the muddy playing field. About 300 braved the weather for the season finale.

It was Cameron's fifth consecutive home-game win this year.

Cameron took a second-place tie with LaVega and proved to be the 9-AAA's best-balanced grid power. Killeen finished district play with a 7-6 win over Stephenville.

Green Scores Twice

Green nailed top scoring honors, running for one touchdown with a blocked punt and snagging a 9-yard Bobby Elliott pass in the final seconds of the game for the second.

He shared defensive honors with Dillon, Tackle Gene Hillman and End George Zarosky. The Cameron line blocked two LaVega punts and held Pirate rushing to 107 yards.

Diminutive HB Fred Walton scored both of LaVega TD's on a 2-yard plunge and a 46-yard pass-run play.

Other Cameron scoring honors went to Dillon with a 1-yard TD plunge in the first and to Rinn with a 19-yard sprint for the first YHS talley. John Wayne Josey had a perfect night at PAT time, kicking four straight.

A strong LaVega forward wall held Cameron backs to 178 yards rushing, comparatively short yardage for the Yoe break-away backfield. But Cameron's scoring was timely to set the Pirates behind to stay in the first quarter.

Cameron never relinquished the ball in a 70-yard drive for the goal following the opening kickoff. Rinn climaxed the move with his sprint left for the TD. Josey's kick was good. Cameron 7, LaVega 0.

A LaVega bobble on the next kickoff gave Cameron possession about a minute later on the Pirate 30. LaVega's line withheld Yoe cracks at the line and the Pirates punted out of danger.

Yoemen Stage Drive

Again the Yoemen drove straight down the field for the second score, Dillon going in from the 1. Josey's PAT was true. Cameron 14, LaVega 0.

A scoreless second quarter was highlighted by booming punts by Cameron's Jesse Kirk who booted one kick 41 yards and another 2.

QB Allen Anz conducted a LaVega drive to the Cameron 19 early in the second stanza before Burris fumbled to Dillon to halt the threat. Kirk's kicking kept the Pirates deep in their territory during the quarter.

Elliott tried three straight passes shortly before the half, but the ball went to LaVega on downs.

Walton took Cameron's second-half kickoff, returning to his 30. He was unable to make necessary yardage in three tries. Then Dillon blocked the LaVega punt.

Cameron took the ball on the Pirate 12. but was unable to move past the 4 where LaVega picked up a YHS fumble.

The Yoe line again forced the Pirates to kick, with three men breaking into block the punt. Green grabbed up the ball and scored from the 12. Josey split the uprights. Cameron 21, LaVega 0.

Walton Leads Drive

After the next kickoff, Anz sent Walton into the line five times and finally into the end zone from the Cameron 2. He hit Walton twice for 30 yards in the air and Walton gobbled up 38 yards on the ground during the drive. The PAT was good. Cameron 21, LaVega 7.

Following the kickoff, Cameron rambled to the LaVega 30 in seven plays before Rinn fumbled to LaVega's Parks.

Walton scored the final Pirate touchdown six plays later when he took a short Anz pass and zagged 46 yards to pay dirt. The PAT kick was short. Cameron 21, LaVega 13.

Cameron took LaVega's attempted on-side kickoff at the Pirate 49, but was unable to move the ball. Kirk booted YHS out of trouble to the LaVega 15.

Four LaVega plays failed to move the ball out of danger with Zarosky tipping an Anz lateral for a 7-yard Pirate loss. Cameron took the ball on downs.

At the LaVega 24, Dillon rammed for 6 and Rinn got the first with a 4-yard dive. Elliott gained 2, Dillon 4 before Cameron's senior quarterback hit Green in the end zone for the final TD. kick was good. Cameron 24, LaVega 13.

Rinn ended the next LaVega drive for the goal with seconds remaining when he picked off an Anz pass at the Cameron 36. An Elliott-Rinn pass fell incomplete as the game ended.

Center Bob Biehunko and Upback Mike Cochran led a good LaVega defense.

The Cameron win gave the Yoemen a 7-3 record and 6-3-1 season to LaVega.
